Meet the new FRIENDS Board Members

Katelyn Guest—

Katelyn has been involved with LGPL her whole life. As a kid, the summer reading programs fostered her love of reading, as a teen, leading children’s activities sparked her passion for volunteering, and now as an adult, the meeting rooms give her a space to work remotely for United Way.

Phil Neimeyer—

Phil says, “Reading didn’t come easy for me. My parents pushed me to read in school to get my certificates, but it was like pulling teeth. Fast forward to present day and I can’t get enough of reading. In fact, I’ve given up most of my favorite TV shows to read instead. Reading becomes visual to me. I can “see” what’s happening! The only challenge now is that I often get several books going at the same time.”

Sue Tumminello—

Sue moved from just over the border to Lake Geneva two years ago to be closer to family. “I’ve been in the Lake Geneva Symphony Orchestra for 23 years., playing clarinet and serving on the Board of Directors. I retired 1 year ago from a 40-year career in Nursing.”

Irene Ward—

Irene is a retired Associate Professor of English from Kansas State University. She grew up in Genoa City, graduating from Badger High School, University of Wisconsin Whitewater, and UWMilwaukee.

Remembering Ursula

Long time Friends Board member and lifetime Library lover Ursula Motsinger passed away April 18, 2023. Ursula spent her teaching career sharing her love of reading and learning with children she taught here at home and also in Ireland. We will miss her sunny smile and positive personality.
Slan mo Chara—Goodbye, my friend!
